Your Financing Resource for Fire & EMS

www.republicfirstnational.com

Who Qualifies for Low-Cost Financing?

- Volunteer Fire Departments
- Municipal Fire and EMS Departments

Consider the advantages of lease purchase financing for your next purchase:

- 100% financing is available
- Competitive and affordable interest rates
- Flexible terms to meet your needs (monthly, quarterly, semi-annual and annual)
- Delayed payments (start paying next fiscal year)
- Ownership after your final payment
- Lower interest rates due to tax-exempt status

You Can Finance:

- Fire Apparatus (New & Used)
- Rescue Trucks
- Fire Stations
- Ambulances
- Rescue and Extrication Tools
- SCBAs
- Turnout Gear
- Communications Equipment
- Defibrillators
- Thermal Imaging Cameras
- And More

To see if lease purchase financing is the best option for you, contact the experts at **Republic First National**.

LEASE PURCHASE FINANCING

- No large, upfront cash outlay.
- Lease purchase financing provides for purchasing of an asset through installment payments.
- You build equity with each payment, and own the equipment after making the final payment. Unlike a car lease, this is not a rental plan.
- For municipalities, lease purchase financing is considered tax exempt financing. We are exempt from paying federal income tax on the interest. We pass those savings on to you in the form of lower interest rates.
- Lease purchase financing is not considered debt in most states, so only the current year's lease payment is included in your budget and no voter approval is required.

Keep in mind lease purchase financing is not a rental plan. You **build equity** with each payment and **own the equipment** at the end of the repayment term.
